Dear Scouting Leader,

Camp Rock Enon will once again welcome over 1400 scouts to its “Rustic Splendor” and I am thrilled to be part of it.

I am excited to take the reigns as Camp Director for 2011. Will Clark will return as Program Director and Dave Winsatt will take over the role as camp advisor and business manager. I look forward to working with you to provide a quality experience for all camp attendees. We have begun working hard to recruit the best staff possible. Here is what you can expect from our staff:

- Excellent Customer Service consistent with the values of Scouting
- Exceptional Program Presentation
- Timely and bilateral communication
- Highly degree of motivation

This Leaders Guide is updated to provide camp information in a step-by-step format. There are changes. We have taken the time to mark those things that are new this year.

We have several new additions to our program for summer camp at CRE for the 2011 season. Some of which include:

- New updated Camp Rock Enon Elite Challenge
- New updated Scoutmaster Merit Badge
- Exciting new High Adventure Challenges
- We will continue our special recognition socials for Camp Staff, Eagles, OA Brothers, and Veterans.

**Here is a very important change to the payment policy.**
A Troop is expected to pay for the number of campers per their May 13\textsuperscript{th} commitment whether or not all campers attend. Troops that do not pay their full balance by May 13\textsuperscript{th} will forfeit their campsite deposit reservation in addition to paying late fees. Late fees will be figured on a unit basis, not individual Scouts.

Spots cannot be held for Webelos crossovers or new Scouts. Extra spots will be filled on a first paid basis. Webelos crossovers and new Scout will qualify for the same fee as the rest of the Troop.

If at any time you have questions or concerns regarding summer camp please contact me personally. You can reach me through e-mail at brianlux@live.com. Remember our Pre-camp Leaders Orientation will be held at CRE on Saturday, May 8 at 12:00noon. I hope to see you there.

Yours in Scouting,

CAMP CAMPERSHIPS:

Camp Scholarships are available for Shenandoah Area Council Scouts only. Forms must be submitted to the Council Office by May 1st.

REFUND POLICY:

Reservation cancellations after May 13th undermine our ability to provide this quality program. Request for refunds are to be made to the Shenandoah Area Council. No refund requests will be accepted after 7 days following the end of the unit’s camp week.

In cases of death of an immediate family member, sickness or injury, or summer school, we will refund all but $100 of fees paid when verified in writing by a physician, or such official.

Reasons such as vacation schedule, sports, work, other camps, and last minute changes of mind are not acceptable reasons for refunds. The Shenandoah Area Council strives to provide the very best program. We sign contracts with staff and vendors in February.

Refund checks will be issued to the individual or entity paying the original fee within 30 days of receipt of the written request pending its approval.

Troop Leadership is responsible for conveying the refund policy to parents. Refund request should be submitted by the unit leadership.
TROOP LEADERSHIP:

All troops/campsites must have a minimum of two-deep leadership. One adult must be 21 years of age or older. No exceptions are allowed.

If there is a substitution of the unit leader (over 21), there should be an overlapping period in order to maintain program continuity and adult supervision over the Scouts. This will give an opportunity for the two leaders to get together and relate information needed to guide the unit properly.

Please Note: Provisional / Eagle Week
Any unit sending youth to Camp Rock Enon during the Provisional / Eagle Week must provide adult leadership if more than five boys from the same unit are participating in the program.

YOUTH PROTECTION:
All Youth Protection Guidelines established by the Boy Scouts of America will be followed and enforced at all times at Camp Rock Enon. All leaders/adults need to take this training before attending camp.

HAZARDOUS WEATHER:
Hazardous Weather Training needs to be taken by at least one leader in order to obtain a Tour Permit.

CHECK-IN:
Check-in is Sunday, 1:00pm to 3:00pm. Early arrivals are welcome to gather at the parking lot. If a troop is arriving on Monday please do so by 6:30am. Any arrivals after 5:00pm on Sunday and 7:00am on Monday will be processed at our earliest opportunity. We must keep the program running for those already in camp. Until further notice we will continue to do the H1N1 screening before anyone enters camp. Please be prepared for this by completing the Camp/Activity Participant ILI Pre-Screening Form upon arrival at camp. We appreciate your cooperation.

VEHICLES:
Upon arrival, one vehicle at a time will be allowed in the campsite to unload (weather permitting). Vehicles should be unloaded immediately and returned to the parking area. If a Handicap pass is needed, please see the Camp Director.

CHECK-OUT:
The final meal is Saturday breakfast. Checkout will start immediately following the retreat ceremony after breakfast. Troops are encouraged to check out once the sites are inspected and all equipment returned (usually by 9:00 A.M.). No vehicles in camp until 7:00am.

MEDICAL:
One form for everyone
The BSA Annual Health and Medical Report must be used by all members regardless of age or program activity level. The form has three sections (A, B, C). All sections must be fully completed and a copy of the family medical insurance card must be attached.

Annual physicals
The BSA Annual Health and Medical Report requires an annual physical for persons participating in resident camp activities regardless of age.

The medical form no longer allows attaching another physical exam (e.g., sports physical) to the BSA medical form. The physician’s signature must be on the BSA form to be valid.

Medications
All medication brought into camp is to be checked into the Health Lodge at the time of the medical recheck on Sunday. Medication must only be taken at the Health Lodge. The taking of prescription medication is the responsibility of the individual taking the medication and/or that individual’s parent or guardian. A Scout leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a Scout takes the necessary medication at the appropriate time, but BSA policy does not mandate nor necessarily encourage the Scout leader to do so.

All first aid treatment MUST be reported to the Medical Officer.

IMMUNIZATIONS:
The Commonwealth of Virginia Immunization Unit is asking that all summer camps in our state require adequate immunization for all attendees.

INSURANCE:
Each (SAC) Scout attending camp is covered by secondary health and accident insurance. This insurance covers only illnesses or injuries contracted at Camp for the first $150.00. Parents’ insurance is responsible for any additional amount. Medical insurance information must be on the medical form for each Scout and Scouter and a copy of the front and back of the insurance card must be attached to the medical form. Parents should make arrangements for treatment of pre-existing conditions. Insurance claims will be paid only to the doctor or hospital.
VISITORS:
All visitors must check in at the Camp Office before proceeding to the campsites. Please make sure everyone signs in FIRST. On Friday, there will be a sign in at the walking bridge into camp.

ARRIVING AT CAMP ROCK ENON

SUNDAY CHECK-IN

Units should plan to arrive at Camp Rock Enon between 1:00 and 3:00 p.m. on Sunday. Staff members will meet you in the parking lot and direct your unit leader to the Camp Director or Business Manager who will register your group.

At the same time a staff guide will lead the unit to their campsite where an inspection will be made of all tents and facilities.

One vehicle will be allowed to drive to the site (weather permitting) and unload. There is a 20 minute time limit for vehicles being in camp. If you have a trailer you may leave it on site – all vehicles must be returned to the parking lot.

All Scouts and leaders who wish to swim during the week should quickly change into swim trunks. The staff guide will then lead you to the next station.

Do not use this time to set up your campsite!

Early arrival is okay as long as no one is in camp until 1:00pm.

If a unit is arriving on Monday this must be done by 6:30am in order to benefit from a complete check-in.

Any arrivals after 5:00pm on Sunday or 7:00am on Monday will be processed at our earliest opportunity. We must keep the program running for those already in camp.

PAPERWORK

Business Manager:
Your unit leader will be directed to the Camp Director or Business Manager who will check to see that all fees have been paid. Here your unit will receive a camp map, fireguard plan emergency procedures, and T-shirt pre orders.

Please have the following with you:
- Tour Permit – This is not optional
- Unit Roster – to confirm numbers attending
- Proof of Insurance (Out of Council units)

Program Director:
Please stop by the Program Director’s office to confirm merit badge schedules and report any changes.

CAMP TOUR

Your Staff Guide will take you on a camp tour to point out program areas and landmarks. Your leaders can decide on the extent of the tour, however a visit to several stations are mandatory.

Medical Recheck:
- Please bring all medical forms and medication to the Health Lodge. Units are encouraged to put the medical forms in a three-ring binder, arranged alphabetically to help speed up this process. Please do not place forms in plastic sheets.
- The medical recheck is performed to ensure that all required signatures are present and review any changes in health status since the physical was obtained.
- Buddy tags will be issued at this time.

Dining Hall:
The troop will meet with the Dining Hall Steward who will instruct the group in proper dining hall procedures.

Swim Check:
- At the waterfront, the Aquatics Director will explain the rules surrounding the use of the swimming and boating areas.
- The swim test will be taken at this time.
- You may take your swim test prior to arriving at camp. You must provide a roster showing the Scout’s name, swim classification and the name address and signature of qualified Aquatics personnel (BSA Lifeguard, Red Cross Lifeguard, or a Red Cross Water Safety Instructor). For Buddy Tags, please contact the Scout Office at 540-662-2551 or by email at sacbsa@sac-bsa.org.

Shooting Sports @ Bowman Lodge:
- The Range Officer will instruct you on basic safety rules and you will watch a safety video.

Trading Post:
- Open your very own CRE Trading Post Account and pick up your merit badge supplies.

Troop Pictures:
- Your Staff Guide will direct you where the photo will be taken between 4 and 5:30.
- We ask that all troops have one picture taken for camp records.
